

NATIONAL VETERANS RESOURCE CENTER: Transformative. Innovative. Bold.

The NVRC is a first-of-its kind facility in the United States dedicated to advancing academic research, actionable programs, and community-connected innovation in service to the nation's veterans and military-connected families.

FIVE-YEAR IMPACT

Over the next five years, the NVRC will:

train and support 40,000 veterans • create 4,000 new jobs • generate \$225 million in revenue
