January 22 is Lunar New Year, one of the most important celebrations of the year among East and Southeast Asian cultures. The New Year celebration is usually celebrated for multiple days —not just one day as in the Gregorian calendar’s New Year. In 2023, Lunar New Year begins on January 22. Come and enjoy some Asian snacks and sweets and celebrate the year of the rabbit!

Please come and find out about the newly launched **Newhouse International Students Association.**
